#### THIS WEEK:

Examine your life and the roots of sin...distrusting God and selfishness. What areas of your life are you not trusting God? What areas of your life are you selfish? What sin is produced by these root sins? Now, ask God to help you chop out those roots and replace them with trust and humility. Then consider the sin of disunity in the body of Christ. What are you doing to destroy that unity? What will you do this week to restore unity with a brother or sister?
